

## Day 2-Wind and Waves

*Jesus is with me all the time! Jesus does the impossible!*

This is a “tag” game to try to get past the winds and waves to safety. Pick one person to be the “wind” and one person to be the “wave.” The “wind” and the “wave” stand in the middle of the yard. Other players pick a side of the yard to start on. When “wind” says go, race to the opposite side of the yard without being tagged by “wind” or “wave.” If you are tagged, help “wind” and “wave” tag people in the next round.

*Jesus is God over all creation! He is so powerful!  
We can trust Him to take care of us!*
